We specialize in machining operation, Steel fabrication and Mechanical maintenance work.

Our highly skilled Engineers and technicians are committed to delivering precise and reliable engineering solutions to meet all your industrial needs.

Our highest priority is to provide exceptional customer service with quality, accuracy, competitive price and fast delivery

We are dedicated to establishing and maintaining long-term, prosperous business relationships. Please don't hesitate to contact us for assistance. Our trained staff is always ready to visit you and provide the support you need.

Our services

- ⊗ Custom manufacturing of machine parts from drawing/ Sample
 - ⊗ Lathe work (Turning, facing, grooving, parting, boring, knurling and tapping)
 - ⊗ Milling machining
 - ⊗ Shaping
 - ⊗ Grinding
 - ⊗ Drilling
 - ⊗ Thread Cutting
 - ⊗ Tool making
 - ⊗ Spare parts machining
 - ⊗ Engineering works
 - ⊗ Mechanical maintenance work
 - ⊗ Mfg. of all kind of gears, shaft & Rollers.
 - ⊗ Hydraulic Pressing Machine
 - ⊗ Band saw machine
 - ⊗ Hydraulic fittings, connectors, Flanges etc
 - ⊗ fabrication of all kind of trolley
-
